IPR Cell:

PSG POLYTECHNIC COLLEGE - COIMBATORE - 641 004

**CIRCULAR**

Ref: IPR Cell/2019

D/01.07.2019

Filing of patents on potential inventions being important in academic activities, an IPR cell is constituted to streamline the filing of patents. This cell will scrutinize and recommend applications for filing of patents which are recommended by the Heads of departments submitting such requests. However, this cell will make extensive search using database to ascertain the success of the inventions and make their observations, since the process of filing is expensive. In addition to filing of patents, this cell is also requested to prepare a comprehensive policy on patents of the Polytechnic college which could be got approved by the Management before implementation.

The Constitution of the Cell for the years 2019-2021 is as follows. With the progress of patenting activities, more faculty members can be inducted to strengthen the functioning of the cell.

**Faculty In-charge :** Dr S Brindha, HOD, Computer Networking

## Balance Sheet:

### Balance Sheet (2019-2020)

**S. KRISHNAMOORTHY & CO**  
**CHARTERED ACCOUNTANTS**

---

**Independent Auditor's Report**

To the Board of Trustees, P.S.G Sons & Charities, Peelamedu, Coimbatore

**Report on the Financial Statements**

**Opinion**

We have audited the Financial Statements of P.S.G Sons & Charities, Peelamedu, Coimbatore ("the Trust"), which comprise the Balance Sheet as at 31st March 2020, the Income and Expenditure for the year then ended and notes to the financial statements, including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give a true and fair view of the financial position of the Trust as at March 31, 2020 and of its Financial performance for the year then ended in accordance with the Accounting Standards issued by the Institute of Chartered Accountants Of India (ICAI).

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Trust in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Responsibility of management for the Financial Statements and those charged with Governance for the Financial Statements**

Management is responsible for preparation of these Financial Statements that give a true and fair view of the state of affairs, result of operations and cash flows of the Trust in accordance with the accounting principles generally accepted in India. This responsibility includes the design implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Trust or to cease operations, or has no realistic alternative but to do so.

Those charged with Governance are responsible for overseeing the Trust's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
