About PSG Polytechnic College

PSG Polytechnic College, established in the year 1939, a pioneer institute in the field of Technical Education and Research is a Government aided, ISO 9001 certified institution with Autonomous status from 1976. This aids it to have a flexible curriculum and updated syllabi. The Polytechnic College has the best laboratories with free access to the students and prepares them with the latest method of learning industrial practices. The industry attachment Programme, compulsory for all courses provides the students an exposure for current industrial practices. The college is located in the same campus as the PSG Industrial Institute.

About PSG CARE

The PSG Center for Academic Research and Excellence was founded in October, 2015 by the PSG & Sons Charities Trust with a mission to promote teaching excellence in all the colleges under the Trust. Toward this end, CARE will encourage the use of learner-centric pedagogical practices that facilitate effective learning and will foster dialogue and reflection on effective teaching through workshops, seminars, one-to-one consultation and other activities. The center also focuses on creating and sustaining effective faculty student relationships and aims to pursue its mission by:

- Helping educators at PSG to practice a learner-centric course design, innovative pedagogy and effective assessments so as to shift the focus of the teaching learning process from delivery of knowledge to facilitation of knowledge acquisition
- Offering an effective one-to-one mentoring system to the faculty in various topics pertaining to learner-centric pedagogy and effective faculty student relationships
- Promoting the use of technology in the PSG classrooms and establishing an environment for effective use of technology in enhancing the teaching- learning process.
- Helping faculty members assess the effectiveness of their teaching through appropriate student and peer feedback mechanisms

- Encouraging research activities that enhance the quality of teaching at PSG and supporting dissemination of research findings about the teaching learning process.

About the FDP

Communication is the pivot role on which the modern globe resolves. Being a teacher requires having strong teaching abilities. These abilities enable a teacher to maintain students' interest in learning and engagement in the classroom. Finding a teaching position that you enjoy might be facilitated by being aware of the most sought-after teaching qualities and how to emphasize them.

Objective of the FDP

- To make a long-term impression.
- To speak with clarity, objectivity.
- To improve listening abilities.
- To strengthen one's capacity for interpersonal communication
- To understand the nuances in communication and values between cultures

FDP contents

- Effective Communication Practices in English – Spoken, Writing and Listening Practices.
- Vocabulary Enrichment – Tools for practicing English language
- Nuances of Effective Communication
- Practices of Student Engagement
