

## **SIGNING OF (MOU) BETWEEN BLUE RIBBON OVERSEAS CONSULTANCY, HYDERABAD, AND DEPARTMENT OF INFORMATION TECHNOLOGY, PSG POLYTECHNIC COLLEGE**

PSG Polytechnic College, Department of Information Technology is proud to announce the signing of a Memorandum of Understanding (MoU) with **Blue Ribbon Overseas Consultancy**, Hyderabad, marking a significant milestone in the college's efforts to expand its academic and career opportunities for students. The MoU, which was officially signed on 11.12.2024, will facilitate a range of collaborative initiatives aimed at providing global exposure, career guidance, and overseas study opportunities for students.

### **Key Highlights of the MoU:**

1. **Career Counseling and Guidance:** The partnership will focus on providing expert career counseling and guidance services to PSG Polytechnic students, particularly those interested in pursuing higher education or career opportunities abroad. Blue Ribbon Overseas Consultancy will offer insights into global education systems, scholarship opportunities, visa processing, and application assistance.
2. **Overseas Study Programs:** Students of PSG Polytechnic College will benefit from access to various overseas study programs facilitated by Blue Ribbon Overseas Consultancy. This includes assistance in applying to universities and institutes in countries like the USA, Canada, UK, Australia, and more. The consultancy will assist with the entire application process, from document preparation to visa formalities.
3. **Internship and Job Placement Support:** The MoU outlines plans to provide students with access to internship and job placement opportunities in reputed international firms and organizations. Through Blue Ribbon's extensive network, PSG Polytechnic students will have an edge when seeking internships and full-time job placements in their chosen fields.
4. **Workshops and Seminars:** As part of the collaboration, regular workshops and seminars will be conducted on topics such as career planning, overseas education options, interview techniques, and skill development. These sessions will be conducted by experts from Blue Ribbon Overseas Consultancy, helping students understand the global job market and higher education trends.
5. **Enhanced Global Network:** The MoU will provide PSG Polytechnic College with an expanded global network, allowing students to interact with industry professionals, alumni, and recruiters from top international companies. This will enhance the college's international visibility and create more opportunities for collaboration and exchange programs.

### **Purpose and Objectives:**

The primary aim of this MoU is to bridge the gap between local education and global opportunities. Through this partnership, PSG Polytechnic College is taking a significant step towards:

- Enabling students to pursue higher education and career opportunities abroad.
- Strengthening the college's international ties and partnerships.
- Providing personalized support to students for making informed decisions about their future.

### **Conclusion:**

The MoU between Blue Ribbon Overseas Consultancy and PSG Polytechnic College is a testament to the institution's commitment to student development and its vision of providing students with world-class opportunities. The collaboration is expected to play a key role in shaping the future of students, empowering them to explore new horizons and achieve their academic and career goals.
